Welcome Message

Asian Workshop on Polymer Processing 2014 Invitation

Dear Colleagues,

On behalf of the Organizing Committee, it is our great pleasure to welcome you to the Asian Workshop on Polymer Processing 2014, which is held in November 17-19, 2014 at the Howard Beach Resort-Kenting inside the Kenting National Park. The park is well known for its tropical climate and sunshine, scenic mountain and beach, and has long been one of the most favorite resort places in Taiwan.

Apart from the usual conference activities consisting of plenary and invited lectures, general symposia and poster presentation, there will be a series of Special Symposia focusing on up to date topics of polymer engineering. We expect over 300 participants from Asian region and around the world to attend. Although an intensive science and technology experience is the driving force of the AWPP-2014, the social and cultural part of a visit to Taiwan should not be missed. The Organizing Committee is putting in its best effort to organize this event and make it a memorable in one of the most attractive regions of Taiwan-Kenting.

I hope that you will enjoy yourselves at the AWPP-2014 and have a meaningful as well as an enjoyable time with your colleagues in the field of polymer processing. All members of the AWPP-2014 Organizing Committee are looking forward to welcoming you at the very beautiful town, Kenting of Taiwan.

Yours sincerely,

Shih-Jung LIU
